**THAT
DIXIE
FLYER**

FOR obedience to the will and wishes of its driver, the Dixie motor has all the abilities one could wish for.

FOR beauty of line, the Dixie is at the top of its class, conspicuously pretty.

FOR substantiably the Dixie is recognized as a "better car" and one in which development of doubt is absolutely lacking.

Dixie's "ability to 'get there,' do it neatly and not 'tire out,' the Dixie is by far the most sensible "buy."
